Sir,

Kaushal Foundation is a chartable, non-profit and non-political society, an NGO, registered under Registration of Societies Act 1960. It works as a catalyst to change the lives of underprivileged children and youth and give them a better future. Through education, healthcare, livelihood and girl child-oriented programmes, the Foundation facilitates social initiatives aimed at the welfare of poor and needy children. It is open to all needy persons without any distinction of caste, creed, religion, sex or age, without discrimination whatsoever.

As per your recommendation, we have considered the cases of 38 deserving students of classes 9-12 in your school. The foundation, in a very humble gesture, has decided to bear 50% of the school fee of all the 38 students, which will be paid in three quarterly instalments. Further, the Foundation has decided to provide these students with school bag, 4 big note books, and other useful material such as durable water bottle, towels etc.

Kindly indicate when is the school opening after the summer vacation, so that we can plan to visit the school, meet the students, and hand them over the fee cheques and other goods.

Also, if you approve, we can also deliver an inspirational talk to your students, besides any desired inputs related to career counselling.

We are mailing this letter by post as well as through email [schooldavhsp@gmail.com](mailto:schooldavhsp@gmail.com)

Thanking you,

Yours truly,

(SARVESH KAUSHAL)

President
